- Soft Skills : Leader | Team Player | Learning Acumen | Motivator | Troubleshooter

INTERNSHIP EXPERIENCE

- Pumo Technovation Pvt Ltd- Python Full-Stack Developer Intern | 2024
 - Assisted in deploying Django-based applications on AWS infrastructure.
 - Supported Linux-based environments for application setup, configuration, and basic troubleshooting.
 - Used Git and GitHub for version control and collaborative development.
 - Gained exposure to CI/CD concepts and automated testing workflows.
 - Participated in end-to-end development and deployment lifecycle.

PROJECTS

Secure Web Server Architecture on AWS VPC

- Built a secure, high-availability web server architecture on AWS EC2 using Apache/Nginx.
- Designed and configured a custom VPC with public and private subnets, route tables, and NAT Gateways.
- Implemented Security Groups and Network ACLs to ensure strict network isolation and controlled access.
- **Tools: AWS VPC, EC2, Apache/Nginx**

Cloud-Based Versioned Static Website (AWS S3)

- Deployed a static website on AWS S3 with bucket versioning enabled
- Configured IAM policies and bucket permissions for secure access
- Integrated Git for version tracking, enabling seamless rollback to previous website versions.
- **Tools: AWS S3, IAM, Git**

AI-Based Complaint Classification System

- Developed an AI-driven complaint classification system using NLP and machine learning with a Django web interface.
- Integrated automated testing using GitHub Actions with YAML-based CI workflows to validate application functionality.
- **Tools: Python, Django, NLP, Machine Learning, HTML, CSS, JavaScript, Github-Actions**

EDUCATION

- BCA - DevOps & Automation | 2023-2026 (Pursuing)
Rathinam College of Arts & Science, Coimbatore | CGPA: 8.21
- HSC - PSG Sarvajana Hr.Sec.School, Coimbatore | 92.1% | 2023

CERTIFICATIONS

- Certified **Python Full-Stack Developer** - Pumo Technovation Pvt Ltd
- Completed Intensified **DevOps** training | MVIII Tech (OPC) Pvt. Ltd.
- Certified in **Bash Scripting & Automation** | Udemy

CO-CURRICULAR

- Secured 3rd prize in an intra-college website development competition
- Coordinated and contributed to organising the RSMART HR Summit 2025
